Nico plays the drums. Sean sings and plays guitar. One minute they're singing us sweet, sweet love lullabies via "Cold Cold Thieves," the next they're pulling us on the dance floor/mosh pit with songs like "This Pain." Together for a little over two years, the duo adds in blues with punk for a feeling that's albeit better than your standard garage rock. They're releasing their first 7" soon, but if you can't wait 'til then for your fix, they'll be at Bardot on Friday. Everything's better in twos, anyway, right?
